University related expenses that a graduate student in the Department of Romance Languages and Literatures can expect to incur include, but are not limited, to the following:

**Recreation Facility Fee** - A $136.39 per semester mandatory fee is charged to all students enrolled in more than 6 credit hours.

**Prepaid Health Fee** - $97.47 per semester mandatory fee is charged to all students enrolled in more than 6 credit hours, optional with fewer hours.

**Student Activity Fee** - $142.83 per semester mandatory fee is charged to all students enrolled in more than 8 credit hours.

**Information Technology Fee** - $113.40 (for 9 credit hours or more)

**Health insurance** varies but is currently $1,128 for the academic year. Apparently this is mandatory only for international students, not domestic students. Domestic students can, however, purchase additional coverage. To do so the student applies to the Graduate School.

**Living expenses**, estimates are given at: [http://international.missouri.edu/come-to-mu/students/estimated-expenses/](http://international.missouri.edu/come-to-mu/students/estimated-expenses/)
