

EMBAJADA  
DE ESPAÑA  
EN ESTADOS UNIDOS

CONSEJERÍA DE EDUCACIÓN EN EE. UU Y CANADÁ

November 10, 2010

To whom it may concern:

Enclosed are a poster and a brochure with information about the Embassy of Spain's program "North American Language and Culture Assistants in Spain", aimed at college students and recent graduates.

The program is an academic "continuing education" grant provided by the Ministry of Education of Spain. The program sends over 2000 American and Canadian participants to Spain each year to serve as teaching assistants, sharing their native knowledge of the English or French language and North American culture in Spanish public K-12 schools. The program, though fairly young, has been gaining popularity quickly with more and more demand each year for such a unique experience!

May I remind you that candidates can start submitting their applications online through our website by the deadline of **March 31, 2011**. The grants will be given on a first-come, first-served basis so we recommend everyone interested to apply early.
